WHOLESALE
PRICE LIST

PRINCETON, N. J.
Tel. 1776

February 1, 1946.

FOREWORD

This year finds us in a very difficult period of reconversion and reconstruction. The nursery business should look forward to an extended period of good business with prices at a favorable level and the demand for our products strong.

Prices necessarily have to be increased in proportion to the increased cost of labor and materials which go into our product. We at Princeton, however, feel that it is poor policy in the long run to raise prices to the extreme and take undue advantage of our customers who have been depending on us for years. We are, therefore, maintaining our policy of high quality and moderate prices.

Our plant and equipment is in better condition today to serve you than it has been in a number of years. We maintain a fleet of trucks so that we can give prompt deliveries within a radius of 250 miles. The most modern mechanical equipment is used, not only to save labor, but to enable us to dig and handle our stock in volume most economically and with a minimum of exposure.

We are glad to say that we are again getting back into our organization a number of men that were either in the military forces or war work. These men have had long experience and training so that we will again be in a position to give your orders more expert and prompt attention. We are also completing a large barracks to house a gang of fifty laborers and with reasonable weather conditions believe we can take care of your orders this spring better than for a number of years.

We have a large planting program lined up with material produced in our own departments and by next fall will be able to offer the trade the best line we have had in years. We thank you for past orders and solicit your further patronage.

Conditions of Sale

PRICES, ETC.

The prices named in this list cancel all previous lists. They are based on current market conditions and are subject to change without notice.

Terms:

PRICES: F.O.B. NURSERY AT KINGSTON, N. J.

To those with an established record for prompt payment or with satisfactory references, we are glad to extend our regular terms of thirty days from date of invoice.

2% DISCOUNT will be allowed for payment in ten days from date of invoice.

5% DISCOUNT will be allowed for **CASH IN FULL** with the order, providing digging or delivery is scheduled for not less than 30 days from date of order.

Orders for shipment C.O.D. must be accompanied by a remittance for one-third of the amount to insure acceptance. These are our only terms and no salesman or representative is authorized to alter them in any way unless confirmed from the office in writing.

25% ADDITIONAL CHARGE For SPECIAL SELECTION and TAGGING in the Nursery

Reduction in personnel makes it imperative to make a charge of 25 per cent additional on our regular listed price for the special selection and marking in the nursery of extra heavy or specimen plants. We invite inspection of our material and on quantity orders will, if requested, mark an average sample to assist our diggers in the selection of the grade wanted.

CLAIMS

All sales are made with the understanding that we shall not be liable in event of crop loss, or of damage from other causes over which we have no control.

We will gladly correct any errors, but we cannot entertain any claims that are not made within ten days after receipt of the stock or are made after the stock has once been accepted. Claims should be made promptly in writing on receipt of stock.

Plants become your property upon delivery to transportation company and we cannot be responsible for loss, damage, or delay in transit.

All orders booked are based on the distinct understanding that the purchaser agrees to the condition of sales as stated above.

SCHEDULE OF B&B CHARGES

The following charges are made to cover additional cost of balling and burlapping deciduous trees and shrubs that are not listed B&B. The size of ball for most stock is in accordance with the A.A.N. "Horticultural Standards" recommendations.

These charges are based on a *carefully dug*, solid ball of earth, *laced* with rope or wire, and handled according to the best nursery practice.

TREES, SHRUBS AND SMALL TREES

Diam. of ball	Size	Estimated Weight	Each
10"	18/24"	30 lbs.	.50
12"	2/3'	45 lbs.	.75
13"	3/4'	60 lbs.	1.20
15"	4/5'	75 lbs.	1.50
16"	5/6'	100 lbs.	2.00
18"	6/8'	150 lbs.	2.75
21"	8/10'	225 lbs.	4.00

Due to uncertain labor conditions, the following sizes are quoted subject to our ability to get help. In other words, we cannot guarantee these prices.

24"	2" cal.	300 lbs.	5.50
28"	2½" cal.	425 lbs.	7.50
32"	3" cal.	750 lbs.	10.00
36"	3½" cal.	1150 lbs.	15.00
40"	4" cal.	1600 lbs.	20.00
44"	4½" cal.	2100 lbs.	25.00
48"	5" cal.	2750 lbs.	30.00
54"		4000 lbs.	45.00
60"		5500 lbs.	60.00

The above charges apply only F.O.B. NURSERY. We will be glad to estimate a delivered price based on the terms of delivery on page 3.

Ball depth will normally be not less than 60% of the diameter, and in all cases is adjusted so as to encompass a maximum of the fibrous root system of the plant.

PLATFORMS

Platforms, if required, will be charged for at the following schedule of prices based on actual cost of labor and material.

The amount so charged will be rebated, providing customers return platforms at their own expense.

Platform size	Usual Ball Size	Charge
24" Sq.	30" to 36"	\$1.50
28" sq.	32" to 40"	1.75
30" sq.	36" to 44"	2.00
32" sq.	40" to 48"	2.50
36" sq.	48" to 54"	3.00
40" sq.	54" to 60"	4.00

Boxing Charges

Length	12x15"	15x16"	17x20"	19x24"	23x28"	27x32"	31x36"
4'	\$1.35	1.65	2.00	2.40	2.80	3.25	3.50
6'	1.75	2.15	2.50	3.00	3.50	4.00	4.50
8'	2.25	2.75	3.25	3.75	4.25	5.00	5.50
10'	3.00	3.50	4.00	4.50	5.00	6.00	6.50

14'	4.50	5.00	5.50	6.00	7.00	8.00	8.50

Packing charges are at cost and represent the actual cost of the material used in the operation. No charge will be made for loading bulk truck or car lots.

DELIVERY SERVICE

Due to the shortage of trucking facilities it is impossible at this time for us to set up a definite schedule of truck delivery charges or to guarantee deliveries. We, therefore, will be glad to estimate delivery cost and to arrange for trucking of your orders contingent on our ability at the time to use our own equipment or hire trucking.

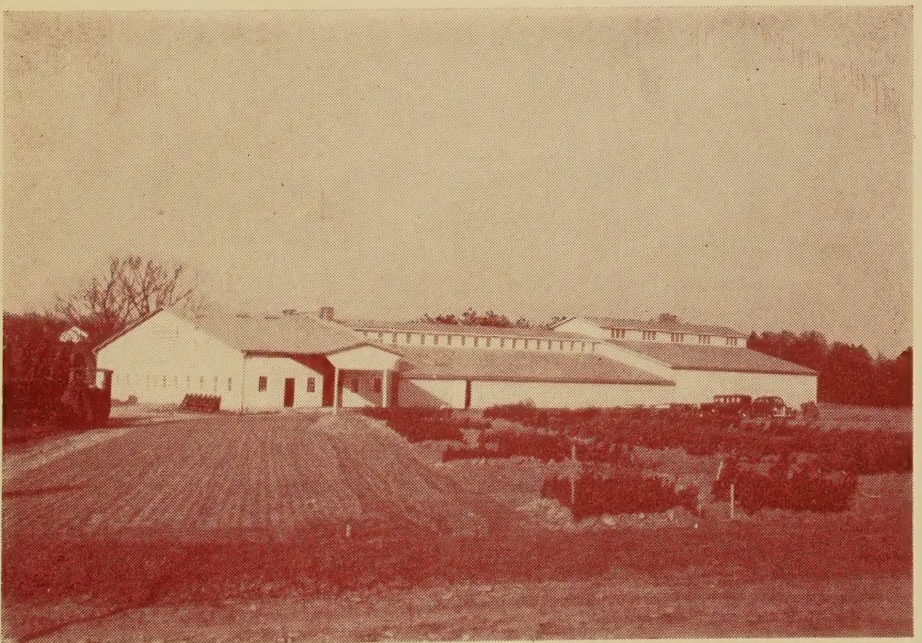

"CARLOADS" AND FREIGHT SHIPMENT

Whenever it is practical we recommend rail shipment by freight or express.

With our own railroad siding connecting with the main line of the Pennsylvania Railroad and a daily pickup service on L.C.L. and express shipments, we are in a position to expedite shipment to you without delay. Consult your local agent for rates to Monmouth Junction, N. J.

GUARANTEE OF GENUINENESS:

We will send out healthy, thrifty stock, true to name. If any nursery stock proves untrue to description or variety name under which it is sold, we hold ourselves in readiness, on proper proof, to replace free of charge such stock that may prove untrue to description or name, or refund the original amount paid. We shall in no case be liable for any sum greater than the amount originally received for said stock.

Packing Shed—a modern insulated building for assembling and shipping orders. A railroad siding in the rear facilitates carload freight shipments.

Notes in Explanation of Catalogue

The figures following each variety indicate in feet the approximate height of that plant at maturity. Ample allowance has been made for the many physical factors that tend to modify the growth of plants in cultivation.

The botanical and common names are largely taken from the 1924 edition of "Standardized Plant Names." Changes in nomenclature according to the revised "Second Edition," which have not become generally familiar to the trade, are shown in parenthesis and cross-indexed for reference.

Our standard of grading all plants is based on a schedule which has been adopted by the American Association of Nurserymen.

How to Reach Princeton by Auto or Train

We are located midway between New York and Philadelphia. Both the Lincoln Highway and the new Super-Highway (Route 26) pass our nurseries.

The office of Princeton Nurseries is located on Lake Road in the township of Kingston, New Jersey.

The nearest railroad stations are at Princeton and Princeton Junction, on the main line of the Pennsylvania Railroad. Phone Princeton 1776 or 1777 and we will be glad to come and meet you at either place.

The New York-Washington planes pass over our nursery hourly. When travelling by airplane, watch out for the interesting block arrangement from the air.

We would call your attention to the fact that we have one of the largest nurseries in the country with over 1000 acres of nursery stock. We are growing between 1100-1200 varieties of hardy woody ornamentals.

A cordial invitation is hereby given to visit our nursery at any time.
